

CONSTRUCTION UPDATE

Please be advised that beginning on Wednesday, May 27, 2015 the contractor for the 75 Express project will begin clearing vegetation in the FDOT right-of-way for sound barrier wall installation along the Royal Landings, West Lake Estates and Century Gardens communities, located on the east side of I-75 between NW 170 Street and Miami Gardens Drive.

Once vegetation and unsuitable material is removed, the contractor will grade and prepare the area for sound barrier wall installation and drainage.

After these activities are completed, crews will begin the concrete post installation process. Activities will include, drilling posts in the ground and setting panels. The sound barrier walls are anticipated to be completed within five to six months.

Expect limited noise in the area and little to no vibrations. Sound wall work will only be underway from 7:00 a.m. to 7:00 p.m., Monday through Friday.

Please note this schedule may change due to inclement weather or other unexpected conditions.
