

75 EXPRESS LANE PROJECT

NEW RAMPS

New Miramar Parkway Exit Ramps Along Northbound and Southbound I-75

The Florida Department of Transportation (FDOT) is scheduled to open a new northbound I-75 exit ramp to eastbound and westbound Miramar Parkway. Beginning Monday, March 27 motorists will be directed to access eastbound and westbound Miramar Parkway, from northbound I-75, via the new Miramar Parkway Exit 7 ramp. Please note, a new southbound I-75 exit ramp to eastbound and westbound Miramar Parkway has also been implemented.

These new exit ramps will provide dual access to eastbound and westbound Miramar Parkway from northbound and southbound I-75, via Exit 7. New signage have been installed along the I-75 corridor indicating these new ramp changes. Additionally, there will no longer be a Miramar Parkway Exit 7A or 7B along northbound or southbound I-75.
