

CONSTRUCTION UPDATE

Westbound Miramar Parkway Traffic Shift Scheduled to Begin on Sunday, June 5

The Florida Department of Transportation (FDOT) is scheduled to shift westbound traffic on Miramar Parkway between Dykes Road and SW 148 Avenue for the final phase of bridge construction on the new Miramar Parkway Interchange. Beginning Sunday night, June 5, all westbound lanes of Miramar Parkway will be shifted south and will remain in this configuration until early 2017.

Please note that this schedule may change due to inclement weather or other unexpected conditions.
